

**Information for persons returning  
from China, Italy, Republic of Korea, Islamic Republic  
of Iran and other countries impacted by  
the coronavirus SARS-CoV-2**

Last few weeks, there were multiple cases of respiratory illness in China, Italy, Islamic Republic of Iran and South Korea (up-dated list of countries available on [www.who.int](http://www.who.int), [www.ecdc.europa.eu](http://www.ecdc.europa.eu), [www.gis.gov.pl](http://www.gis.gov.pl)) that were accompanied with signs and symptoms of cough, fever, dyspnoea and difficulty breathing.

If you travelled to those countries during last 14 days and you encounter those symptoms, please call sanitary-epidemiological station immediately or visit the department of infectious diseases at a hospital where an adequate medical procedure would be prescribed.

All information for travelers available on [gov.pl/koronawirus](http://gov.pl/koronawirus) and [gis.gov.pl](http://gis.gov.pl)
